

ICAO RATERS TRAINING

Course Summary

The ICAO Raters Course trains candidates to assess aviation personnel in the ICAO Language Proficiency Scale. Training is delivered in the theoretical and linguistic basis of testing, implemented through practical exercises in the design and administration of tests.

Though primarily intended for qualified Air Traffic Controllers, we welcome pilots and other aviation professionals who wish to take this course.

Course Curriculum

- Principles of Verbal Language Testing
- The ICAO Language Proficiency Scale
- ICAO Language Proficiency Categories
- Design of ICAO Language Proficiency Tests
